

ShowerChannel

Virgin Active Gym, Moore Park, NSW

The Virgin Active chain of health clubs recently opened a new facility in the Sydney sports precinct at Moore Park. The facility includes swimming pools, spas, saunas and spacious workout areas with the latest gym equipment.

Project Design Brief

The designers required a simple one way fall in the wet floor areas to coordinate with the large tiles specified. They also wanted to maintain a visual continuity with the other bathrooms in the facility and the pool concourse.

ACO's Solution

- QuARTz by ACO, ShowerChannel and Linéaire grates

Benefits

- Stainless steel channel and grate with an electro-polished finish ensures high durability for cleaning agents
- Linéaire grates provide a slip resistance Classification B to AS 4586 Wet Barefoot Test

Other ACO Products Installed

- Polycrete® Channels, Stainless steel channels, grates and access covers
